Decant it and serve between 14° and 16°C.

### DO MONTSANT, THE DIAMOND IN THE ROUGH

The Designation of Origin DO Montsant is located in the centre of Catalonia, forming a ring around the famous and exclusive DOQ Priorat. DO Montsant is known as the “diamond in the rough”, because although it is a DO which was created only a few years ago, it already has a prestigious reputation throughout the world. In fact, its prestige is growing so fast that DO Montsant is today one of the world’s top-rated regions.

Wine has been produced in the Montsant area for thousands of years. It is a very isolated area, depending exclusively on agricultural production methods that respect the environment and which serve as a good example of environmental preservation. Vineyards spread out across the mountainous slopes among olive groves, forests, and stone.
